

Making Music Enjoyable Aim Adult Class

Lampshade making and music as an enjoyable experience are emphasized by the Torrance Adult Education program of the evening high school, Director Vernon Sheblak announced yesterday.

Two adult classes in shade making are being offered in the Hollywood Riviera district. The first, held on Tuesday afternoon from 1 to 4 o'clock, is taught in El Retiro Park recreation hall, while the second, from 6:30 to 9:30 p.m. Thursday, is held in Room 11 of the Seaside Elementary School.

Both classes are now enrolling additional students, although they are under way. Mrs. Viola Boas, instructor, says a lampshade may be made in five class sessions.

In the music department, the Torrance Pops Orchestra is proving very popular, says Patton McNaughton, director of the group.

"Emphasis this year," said McNaughton, "is being placed on music as an enjoyable experience rather than on practicing for public performance."

Experienced or inexperienced musicians are invited to join the group already attending weekly sessions on Wednesday night, from 7 to 9:30, in Room 125 of Torrance High School.
